

## PIAA Sports Physicals for Perkiomen Valley Students

To participate in school sports, a valid PIAA sports physical is required, dated **after May 1, 2025**. While **Perkiomen Valley will not be hosting a Physical Day this year**, there are several options available to ensure your child is prepared for the season. The paperwork must be uploaded to [BigTeams/Student Central](#) by **JULY 18, 2025**. We have hundreds of these physicals to approve and process prior to the first day of practice so please turn them in on time.

### 1. Schedule an Appointment with Your Child's Primary Care Physician

- If your child has had a well visit within the past year, many doctors will complete the required PIAA form based on that visit.
- **Important:** It may take up to **2 weeks** to process, and some offices may charge a **form completion fee**.

### 2. Visit a Local Urgent Care or Walk-in Clinic

- These clinics often offer same-day appointments or walk-in service.
- Many **accept insurance**, but if you do not have coverage, here are some local options and their **out-of-pocket fees** for sports physicals:

Walk in Clinics Providing Sports Physicals					
Prices as of May 2025(Without insurance)					
Place	Location	Phone	Cost	Notes	Open
